ATV or Side by Side – Monkey Sanctuary Tour

The ATV Monkey Sanctuary Tour, Flamingo Beach, Costa Rica is one of our most popular Guanacaste ATV tour activities. Visit the Monkey Sanctuary at the Top of the World Monkey Trail. On this tour not only is the scenery breathtaking, but you will also stop at the world famous Monkey Sanctuary. About the Congo Trail Monkey Sanctuary, Costa Rica: Orphaned baby monkeys are not always adopted by another family of monkeys but if they are found in time they are brought here. Unfortunately they never develop the skills to survive in the wild so they must live at the sanctuary forever. Your ATV tour price includes admission to the Monkey Sanctuary which helps cover the operating costs. Then hop back on your ATV and ride home via the Donkey Trail for some advanced and challenging ATV riding (Optional) down to sea level then visit 3-5 different beaches (Dantita Beach, Danta Beach, Prieta Beach, Penca and Potrero Beach) on the final stretch. On private tours guides can stop for lunch if requested.. This is one of the best excursions Guanacaste Costa Rica has to offer.

Duration: 3.5 to 4 hrs including transportation time

Please Note: This tour includes 5 kms of paved roads

Difficulty: Easy to Medium

Min & Max: Min 2 drivers – Max 10 Drivers / 10 Passengers

Includes: Bottled Water, Bilingual Guide, Equipment, Transportation

ATV or Side by Side (3 hr) – Canopy Zipline Tour

The Congo Trail: We start at our facilities in Brasilito, we give driving instructions that are very important for our clients. This tour has an approximate duration of 4.5 hrs and is full of adventure, we will travel by ATV through the towns of Brasilito, Flamingo and Potrero, we will travel on paved roads as well as cross rivers with little water due to the summer and small streams, once we arrive at Congo Trail the guides will be waiting for us to start the Zipline tour. The Zip line has ten cables some of which are suspended up to 25 meters above the ground and more than 400 meters long. Once finished, we can enjoy some of its attractions, such as the Serpentarium, butterfly farm, monkeys and souvenir shop where you can buy t-shirts, wooden handicrafts.

At the end of the zip line tour, there is the option to visit the Monkey Sanctuary and petting zoo. The sanctuary provides a safe haven for orphaned baby monkeys that cannot survive in the wild. They rescue and reunite to connect with animals in need. They rehabilitate monkeys and other animals, such as sheep, horses and a bull, in their petting zoo. The sanctuary provides a permanent community for these animals and is a must-see for anyone looking for an exhilarating experience and the opportunity to connect with animals in need.

On private tours guides can stop for lunch if requested. We will then head back down the monkey trails and visit Playa Brasilito before heading back to our office where we will load you back in our comfortable van to take you back to your hotel.

We can also pick you up in our minivan and head to the zipline to avoid riding the ATVs on the paved roads and spend more time off road after the Canopy Zipline adventure.

Duration: 4.5 to 5 hrs including transportation time

Please Note: This tour includes 5 kms of paved roads

Difficulty: Medium to difficult

Min & Max: Min 2 drivers – Max 10 Drivers / 10 Passengers

What you should bring: Sun glasses or eye protection, Tennis Shoes, light clothing not worried about damage, bathing suit, towel, sun protection and insect repellent.

Restrictions: Minimum age is for drivers 16 yrs. Minimum age as passenger 6 yrs.

ATV 3 hr Top Of the World tour:

Atv tour for 3 hours: We leave from our facilities in Brasilito, we give the Atv driving instructions that are very important for our clients. This tour consists of visiting towns like Brasilito, passing through the beach of Brasilito, then we will go through trails and hills, we will go down until we reach Flamingo Beach where we will enjoy its beautiful white sand beach, we will go through a stretch of paved road where we will pass through the town of Potrero, where we will go through roads where we will pass rivers with little water to enter a fairly steep road to reach the Mirador (lookout point) Castillo de Lilo where you can have incredible 360 degree views of ocean and jungle to take pictures of. During the tour we will be able to observe animals such as monkeys, cows, horses, birds and its dry forest. You must take into account that to do this adventure you must have ATV driving experience, since the road to get to the lookout is very extreme. Customers can bring money in case they want to buy food or drinks in the cafeteria and restaurant. Please note that to climb to these viewpoints you have to climb quite steep hills to see the 360° view.

Liberia City Tour and Llanos de Cortez Waterfall:

You can still walk around the center of Liberia and have a glimpse of what was the white city. Historically, Liberia has been called "La Ciudad Blanca" because of its white adobe houses, white dirt roads and its people who dressed all in white because of the extreme heat. Here you will have the opportunity to buy souvenirs. Llanos de Cortez is considered to be one of Costa Rica's most beautiful waterfalls. The falls are wide and wispy, with thin streams of water tumbling along the mossy rocks. Rocky cliffs are visible through the transparent cascade. To add to the grandeur, thick forest surrounds the falls with many birds and sometimes even monkeys bellowing from the trees. Here you can cool off and enjoy these magnificent falls just a few minutes from Liberia.

Duration: Full Day.

Min & Max: Min 3 people.

Includes: Lunch, Bottle Water and Fruit juice, entrance to park and transportation

Recommendations: Hiking shoes, camera, spending money, sun hat, bathing suite, insect repellent & sunscreen.

Miravalles Volcano Combo Tour:

As the name suggests, this tour is based around Miravalles Volcano, which is one of the most active and least visited volcanoes in Costa Rica. The tour starts by driving around the volcano to a farm, where we will take a horseback ride or horse drawn carriage back to a nature trail for an easy guided hike where we will see wildlife and waterfalls. You will pass through areas with natural hot springs, steam vents, and geysers as well. This will be followed up with a mud painting and cleansing in the hot springs.

Rio Celeste & Tenorio Volcano Guided Rainforest Hike:

A legend tells that after God was done painting the sky, he washed the brushes in the river that now receive the name of Rio Celeste (Light Blue River). This peculiar color is given by a chemical reaction that reflects the sunlight through the water, and occurs during the joining of two streams that give birth to the river, this place is known as the "Teñideros". Rio Celeste is one of the most beautiful and scenic rivers in Costa Rica, located in the lush rainforests of Tenorio Volcano National Park, undiscovered by mass tourism. The park is home to an incredible biodiversity of flora and fauna, including the tapir, wild cats, monkeys, toucans and a vast variety of amphibians and reptiles. Once at the park entry we start the hike through this primary Rainforest, several fauna species and exuberant flora are easily found in this ecosystem, during this 3 hour walk we visit a magnificent waterfall, the place where the river dies with the light blue coloration, hot water springs (swimming not allowed for park's administrative rules); fumaroles of volcanic gas, where temperatures up to 1500 °F are expelled from time to time, and the "Borbollones", where exhaust gas at the base of the river give the appearance of boiling water. This tour is recommended for hikers or anyone who loves natural outdoors and is in good physical shape.

Duration: Full day.

Min & Max: Min 3 people

What to bring: Passport, comfortable clothes, hiking shoes, sandals, binoculars, camera, sun block, money and hat.

Rio Celeste & Finca Verde Nature Farm

Prepare for an unforgettable journey into nature with our combined tour of Río Celeste and Finca Verde.

The adventure begins at Tenorio Volcano National Park, where we'll take a trail leading to the iconic Río Celeste Waterfall. This unique place, with its brilliant turquoise waters, owes its color to a chemical reaction between volcanic minerals, making it one of Costa Rica's most stunning destinations. Along the hike, we'll pass through a vibrant tropical rainforest teeming with life and offering the chance to spot local wildlife such as monkeys, toucans, and more in their natural habitat. Next, we'll head to Finca Verde, a private reserve dedicated to conservation and environmental education. Here, you'll enjoy a scenic walk-through lush trails filled with tropical plants, colorful flowers, and diverse wildlife: including sloths, frogs, and birds—all thriving in this protected environment. Finca Verde promotes organic agriculture and sustainable practices that help preserve the local ecosystem. During the visit, you'll learn about their conservation efforts, soil regeneration techniques, and sustainable farming methods that support both local biodiversity and communities. This tour is ideal for those seeking a deeper connection with nature and an educational, enriching experience in Costa Rica, highlighting the importance of a respectful and responsible approach to the environment.

Scuba Diving

The Isla Catalinas are a group of islands formed by the volcanic rocks that emerged to the surface off the Flamingo Bay, displaying an excellent environment and setting for our abundant marine life. We are able to observe white tip reef sharks, moray eels, turtles, schools of jacks and grunts, as well as rays including the oceanic manta rays. The bottom is mostly volcanic and the average maximum depth is 16 - 18 meters (50 – 60 feet). Visibility, currents and conditions in general tend to change every day. Currents, when present, are not strong, divers drift with it and the boat follows to pick them up at the end of the dive. Visibility varies from 5 meters up to 25 meters (15 feet to 80 feet), depending on the day and the season. This voyage includes two immersions, all equipment, guide, water and snacks.
